

March 24 and 31, 2017

Dear Wood Memorial High School and Wood Memorial Junior High School parents, guardians, and community:

Greetings from the home of the Trojans! The home of the State Champion Lady Trojans!

Spring break has arrived.

I hope everyone has an enjoyable and safe week.

When we return to school on April 3, 2017 we will be in the home stretch of the school year. Yet, the final two months of school will be an extremely busy time, with a number of activities taking place. These will include, just to name a few, prom, senior week activities, graduation, ISTEP Part 2 testing, ECA testing, the identification of the 2017 – 2018 master schedule, and much, much more.

I would like to thank Senator Mark Messmer and the Indiana Senate for honoring our 2017 Lady Trojan basketball team this week. The ladies were recognized during the March 21 session of the senate, at the Indiana Statehouse. This was indeed well deserved and much appreciated by the Wood Memorial school-community.

2017 – 2018 Junior and Senior students interested in applying for a vocational course, must do so by no later than April 1, 2017. Please see the guidance office to provide your information before leaving for spring break. There are a number of requirements which must be met and our team will review your status for eligibility and advise following spring break.

To apply for a course you will need to do so at www.patokavalleycte.com. The deadline is April 1, 2017.

Information of interest:

NOTES from STAFF and/or THE SCHOOL COMMUNITY

From Mr. Steve Kilian, Athletic Director

Promoting Education Based Athletics in Indiana.

What's your mental state like before a big game or an important test? Are you unsure or afraid to fail? Are you confident? Do you feel prepared? Are you afraid of the potential result?

Most athletes, at every level, would tell you that they are a little nervous before that big game. If you don't have those butterflies in your belly, I would be surprised.

But, why you are nervous may determine the end result. If you aren't prepared, don't anticipate positive results.

But, if you are nervous because of the anticipation of the game and you are prepared, you will find yourself confident and ready for the challenge ahead!

The Prom Committee is still looking for junior parents who are willing to chaperone prom on May 6. Please email me at ehill@egsc.k12.in.us if you are able to help that evening from 5:00pm to 11:30pm and enjoy a fee meal from the Bauerhaus.

All juniors who are attending prom will have to pay all of their class dues and fees, from all three years, before they will receive a ticket. This includes all money owed for fundraisers.

High School students: This is the last chance to order yearbooks for \$45. Orders must be submitted to E. Hill, or be placed online at jostensyearbook.com, by March 23. Order forms are available in the high school office, or from Ms. Elizabeth Hill. After spring break the price will increase to \$50.

Class of 2017: The yearbook staff needs a senior photo of your choice to appear in the yearbook next to your Straub picture. Pictures must be taken by a professional photographer and be school appropriate. Please email high resolution images to ehill@egsc.k12.in.us, or bring Ms. Elizabeth Hill a printed picture no smaller than 4x6 inches to scan. Please participate, even if you do not order a yearbook!

Faculty and Staff: The high school yearbook staff would like to include a picture of you from your high school days alongside your staff picture. Please participate by emailing a picture to ehill@egsc.k12.in.us.

Indiana extending financial aid filing deadline to April 15, 2017.

Hoosiers have one more chance to file FAFSA for college financial aid. Indiana Commissioner for Higher Education Teresa Lubbers announced today that the state's March 10th financial aid filing deadline would be extended to April 15th this year in response to recent issues with a federal data retrieval tool that complicated the process for families attempting to submit the Free Application for Federal Student Aid (FAFSA).

“This is an excellent opportunity for Hoosiers who missed last Friday's deadline to complete the FAFSA and qualify for financial aid that makes college more affordable,” Lubbers said. “All prospective college students— whether they're a high school senior, a current college student or a returning adult—should complete the FAFSA as soon as possible.”

Beyond determining eligibility for state and federal financial aid, colleges use information from the FAFSA to determine their scholarship awards. Filing the FAFSA is particularly important for

Indiana's 21st Century Scholars who will not receive their scholarship that pays for up to four years of college tuition without completing the FAFSA.

The Indiana Commission for Higher Education is committed to continued outreach in partnership with local high schools, colleges and community organizations to alert students of the extension and provide assistance to students who still need to file.

Filing the FAFSA The fastest and easiest way to file the FAFSA is online at www.fafsa.gov. To complete the FAFSA, you will need: 1) Your Social Security Number; 2) Your 2015 federal income tax returns, W-2s, and other records of money earned; and 3) An FSA ID to sign electronically. NOTE: Dependent students need this same information for their parent(s). The U.S. Department of Education provides email and live chat assistance for FAFSA filers as well as a helpline at 1-800-4FED-AID.

More FAFSA Help for Hoosiers Hoosier families can find FAFSA-related help via phone at 1-888-528-4719, email (awards@che.in.gov), Twitter (twitter.com/learnmorein), Facebook (facebook.com/learnmorein) or online at LearnMoreIndiana.org/cost.

From Erin Lucas, Office of Congressman Larry Bucshon

The 2017 Academy Day will be held on Saturday, April 29, 2017, at the Vincennes University Gibson County Center, in Fort Branch, Indiana. Registration begins at 8:30am, with the program running from 9:00am – 11:00am (CDT).

Individuals considering a career in one of the United States Service Academies will be able to learn about the opportunities, the application process, congressional nominations, and the every day life of a Service Academy Cadet.

The application process for a congressional nomination from Congressman Buschon's office, for the class of 2022, will be from March 1, 2017 until October 6, 2017.

From Jamie Nunnally, Communications Director, National Alliance of Concurrent Enrollment

The National Alliance of Concurrent Enrollment Partnerships (NACEP) announced that its board of directors has approved the affiliation of a new state chapter: the Indiana Alliance of Concurrent Enrollment Partnerships (INCEP). Indiana is the ninth state to launch a chapter.

The Indiana Commission on Higher Education indicates that 52% of Indiana high school graduates, in 2014, completed at least one college course through dual credit; an increase from 39% in 2012. The Commission's data shows that students who complete dual credit courses are more likely to enroll in postsecondary education within a year following high school graduation, as compared with those who do not earn pre-college credit.

Independent research published by the U.S. Department of Education's National Center for Education Evaluation and Regional Assistance found that Hoosier college students who had completed dual credit are more likely to place out of remedial courses, pass all their first-year

courses, and persist to sophomore year than colleges students who had not taken dual credit courses.
